

Speeches from Soviet Union to America – on Health, Philosophy and Any Problem

By David Sequira and Matthew Shaperone

I. Basketball and Writing

Just keep writing, keep playing the match, race with it, analyse it – I call this permanent revolution, it cannot lose.

II. Basketball and Speeches

Lenin climbs up the stage it is a cart-stage and gives a speech.

Trotsky is then coming again, in a next month, and is giving his speech.

III. Measuring Health by Speeches then

I am in fact in trouble, but I don't care, I am going to win, Inspirational to all.
